### ABOUT US

We, ATES Technical Campus is an Institute with a belief that "**Be the Change, you want to see in the world.**" we want to be a dynamic knowledge hub through which we can transform rural & agricultural background students into Self-dependent Professionals & Entrepreneurs who will become the Change in the Society, generate employment & truly build the **Unnat Bharat.**

Akole Taluka Education Society is among the pioneer institutes in education established in **1972** by **Late Dadasaheb Rupwate** and **Hon`ble Shri. Madhukarrao Pichad** along with hundreds of social workers. Doorstep facilities of education are very noble cause of social engineering, justice and equality. Leaders of all political parties in the region are assemble here and bound together to achieve optimal progress in education especially in the remote area.

The campus is offering two PG Management courses **Master in Business Administration (MBA)** and **Master in Computer Application (MCA)** as a doorstep action for basically not only rural, semi-urban, urban beneficiaries but also international students.

The Institute is developing as a Global Centre of Excellence in higher education, research and Technological up gradation creating Knowledge Ledgers for tomorrow.

### OUR MISSION

1. To bring professional education in the reach of rural & tribal students
2. To enrich the students by providing skills required to tune up with contemporary dynamic needs.
3. To become a Pioneer to bridge the gap between India & Bharat.
4. To empower students, Faculty & Society for contributing in overall progression of our Nation.

# School of Open Learning

(Distance Education Program)

## **ABOUT THE SCHOOL OF OPEN LEARNING**

The **School of Open Learning (SOL)** established under the Savitribai Phule Pune University, Pune in 2018 is a pioneer Institution in the field of Open and Distance Education in India. Savitribai Phule Pune University, one of the premier universities in India, is positioned in the North-western part of Pune city. It occupies an area of about 411 acres. It was established on 10th February, 1949 under the Poona University Act. The university houses 46 academic departments. It is popularly known as the 'Oxford of the East'. Savitribai Phule Pune University having status of graded Autonomy by UGC. It has about 307 recognized research institutes and 612 affiliated colleges offering graduate and under-graduate courses.

**Open and Distance Learning (ODL)** is a system where the teachers and learners need not necessarily be present either at same place or same time and is flexible in regard to modalities and timing of teaching and learning as also the admission criteria without compromising necessary quality considerations.

The **School of Open Learning (SOL)** offers Undergraduate/Postgraduate Degree courses in the various subjects of Arts and Commerce faculty. The medium of instructions of all courses is in Marathi and English. The school is enduring to circulate all printed material to the enrolled students at the centers.

All study centers are identified in the constituency of University and they are fully equipped with appropriate infrastructure. And responsible study centers are working as caretaker of all learners and provide essential personal contact under the guidelines of school. At the university campus all administrative and academic staffs are always ready to provide necessary information to learners. The school is confirmed that all experience faculties were recruited at various centers.

This is becoming more and more significant for continuing education, skill updating of in-service personnel or those wants to learn higher education. It is also simultaneously focus on quality education of relevance to learners located at educationally disadvantageous locations, also.

### **VISION**

Savitribai Phule Pune University - School of Open learning Providing Opportunity every one seeking to acquire quality higher education through open and distance learning.
