## **Guest Lecture**

### **“Journey to the TECH Industry”**

**Date: September 12, 2023**

**Name of Speaker : - Mr. Ashish Mane**

#### **Introduction:**

On September 12, 2023, the Department of Computer Applications at Akole Taluka Education Societys Technical Campus Akole had the privilege of hosting Mr. Ashish Mane, a distinguished professional in the TECH industry, for a guest lecture. The focus of the lecture was on Mr. Mane's personal journey in the technology sector, with a special emphasis on application development, programming languages, and meeting industry requirements.

#### **Application Development Overview:**

Mr. Mane delved into the intricacies of application development, emphasizing the importance of understanding user needs and designing solutions that add value. He discussed various types of applications, ranging from web and mobile to enterprise-level software, shedding light on the unique challenges and opportunities each domain presents.

#### **Choosing the Right Computer Language:**

Addressing a crucial aspect of application development, Mr. Mane provided insights into selecting the appropriate programming language for specific projects. He discussed the importance of staying updated with emerging languages and technologies, ensuring that students are well-equipped to adapt to the ever-evolving tech landscape.

#### **Adapting to Industry Requirements:**

Mr. Mane shared valuable insights into the current trends and demands within the TECH industry. He discussed the significance of continuous learning, emphasizing the need for MCA students to develop a versatile skill set that aligns with industry requirements. He highlighted the importance of staying abreast of emerging technologies such as AI, machine learning, and blockchain.

### **Industry-Driven Projects and Collaborations:**

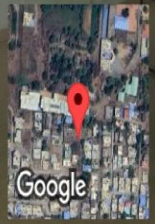

To bridge the gap between academia and industry, Mr. Mane encouraged students to engage in industry-driven projects and collaborations. He stressed the significance of hands-on experience, internships, and networking to enhance their employability and gain practical insights into real-world challenges.

### **Q&A Session:**

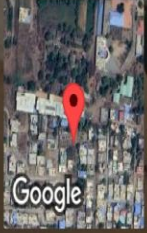

The lecture concluded with an interactive Q&A session, allowing students to seek further clarification on specific topics and gain personalized advice from Mr. Mane. This session provided a platform for meaningful engagement and facilitated a deeper understanding of the TECH industry.

### **Conclusion:**

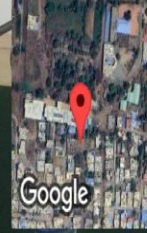

Mr. Ashish Mane's guest lecture proved to be an invaluable learning experience for the MCA students, offering a comprehensive overview of the TECH industry and the journey to success within it. His insights on application development, programming languages, and industry requirements provided practical guidance that will undoubtedly shape the future endeavors of the aspiring technologists present. The event was a testament to the university's commitment to providing students with exposure to industry experts, enhancing their understanding of the dynamic TECH landscape.
